BILL: **S2017-SB16**
TITLE: **Grill Bill**
SPONSOR: **Karina Toy, SGA President**
DATE: **May 07, 2017**

Whereas the Student Government Association (SGA) of Middlebury College believes in the importance of community on campus;

Whereas the ability to cook outside in good weather fosters a stronger community;

Whereas there is no designated location for students to be able to come together to prepare food themselves outdoors;

Whereas such a location can also be utilized for language schools, student organizations, and other community-strengthening organizations;

Whereas the Space Committee as "approved one test location for 2 park style barbecue grills to be installed at a specific location to be determined by Facilities Services near the Ridgeline townhouses."

Whereas the installation of two permanent grills, a cement pad to place them on, and a metal bin and chain for charcoal storage will cost approximately $1,200.

Whereas the SGA can pay for installing this location in a one-time investment;

Therefore, let it be enacted…

That, the SGA will cover the $1,200 cost of two permanent grills, a cement pad to place them on, and a metal bin and chain for charcoal storage.

Respectfully submitted,
Karina Toy, SGA President
James Callison, SGA Chief of Staff
